

All-new Tayron Elegance

For the finer side of life.

Visit the
model page

For moments that deserve more.

Some stages of life call for adventure. Others call for **more space, greater flexibility, and room for people who matter most.** Wherever life leads, the Tayron Elegance is designed for every chapter ahead.

The Tayron Elegance combines **refined comfort, intelligent technology, and versatile seven-seater practicality.** From everyday journeys to special occasions, it is thoughtfully crafted for every stage of life.

For presence that

lights the way.

Distinctive lighting elements and refined styling leave a lasting impression.

LED Plus headlights

Designed to see and be seen. Advanced LED technology provides clear illumination ahead while creating a refined and unmistakable appearance.

3D LED taillights

Distinctive by design. Three-dimensional lighting elements create a refined rear signature that is unmistakably Tayron.

Front & rear illuminated VW logo

More than just badges, they are a statement of quiet confidence. Their distinctive glow ensures the Tayron Elegance is recognised day or night.

For **performance**
that feels effortless.

Mild-hybrid powertrain

The Tayron Elegance moves with quiet confidence. Combining a 1.5 eTSI mild-hybrid engine producing 150 PS and 250 Nm with a 7-speed DSG gearbox, it delivers refined performance and impressive efficiency for everyday drives and journeys beyond.

Next-generation adaptive suspension

Dynamic Chassis Control Pro (DCC Pro) continuously adapts to changing road conditions, balancing ride comfort with precise handling for a smoother, more confident drive.

For a **cabin**
designed around you.

30-colour ambient lighting

A more immersive lighting experience, with expanded ambient lighting elements and 30 colours to suit every mood and moment.

Centre Console Multi-Function Control

Convenience at your fingertips. Easily adjust audio volume, driving profiles and ambient lighting to suit every journey.

Progressive Technology

10.25" Digital Cockpit Pro

Essential information, tailored to your preferences. The high-resolution Digital Cockpit Pro presents driving, navigation and vehicle information clearly within view.

12.9" Discover infotainment

Stay connected and in control with an intuitive interface and intelligent voice assistance through IDA Voice Assistant.

8-speaker Volkswagen sound system

Rich, balanced sound delivers an immersive listening experience, bringing greater enjoyment to every journey.

Mobile phone interface with inductive charging for 2 phones (up to 15W)

Wireless charging for two devices keeps everyone connected on the move.

For **comfort** that
welcomes everyone.

3-zone climate control

Personalised comfort for every passenger, with independent climate settings, cleaner cabin air and convenient rear controls.

ergoActive Plus Seat in "Varennà" leather

Tailored comfort for every journey, featuring 12-way electric adjustment alongside heating and ventilation function.

Enhanced by massage function

Personalised relaxation comes naturally with 10 air cushions in the seat, adjustable intensity settings and dedicated massage programmes lasting from 10 to 30 minutes.

For **space** that
grows with life.

Luggage capacity

Adapt the cabin to suit every journey. Fold one seat for added flexibility or both to maximise luggage space, with up to 1,905 litres of cargo capacity.

2nd and 3rd row foldable seats

Flexible seating for up to 7, with adjustable second-row seats and a foldable third row that opens up cargo space.

Hands-free tailgate

Open and close the tailgate effortlessly with a simple foot gesture, making loading and unloading more convenient when your hands are full.

For **convenience** that
stays within reach.

Multifunction sports steering wheel

Comfort comes naturally, with integrated steering wheel heating for added warmth at the touch of a button.

Steering column gear selector

Effortless gear changes at your fingertips, with shift paddles positioned behind the steering wheel for added control and engagement.

Intuitive controls

Thoughtfully positioned controls make everyday interactions simple, intuitive and reassuringly reachable.

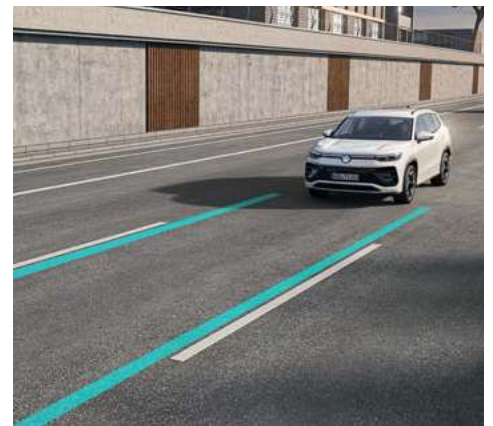

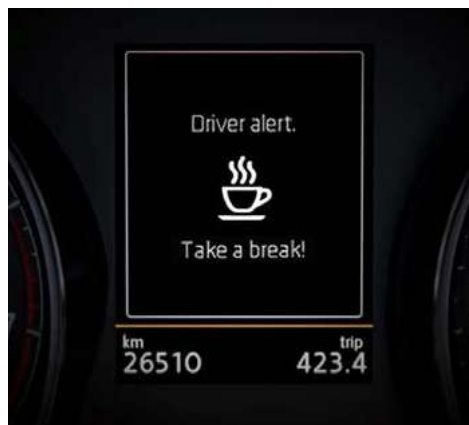

Enhanced Safety

Park Assist Plus

Activate Park Assist, detect and select your preferred parking space using the rear view camera then let the system take over the steering to manoeuvre the vehicle into place.

Proactive Passenger Protection System

Actively analyses the situation ahead to allow for early precautions such as tightening the seatbelts and triggering the hazard lights.

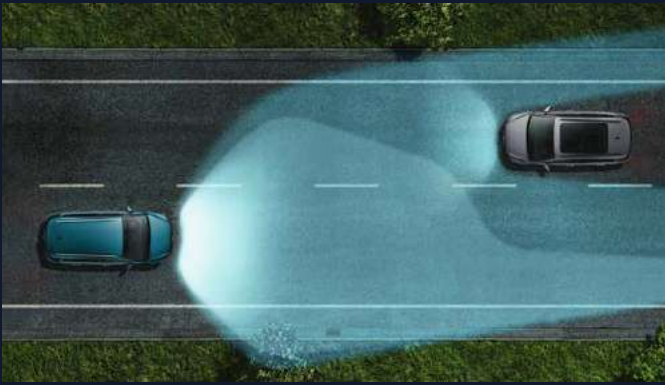

Advanced Driver Attention and Drowsiness Monitor

Monitors your driving and detects signs of fatigue and recommends a break when necessary.

Emergency & Lane Assist

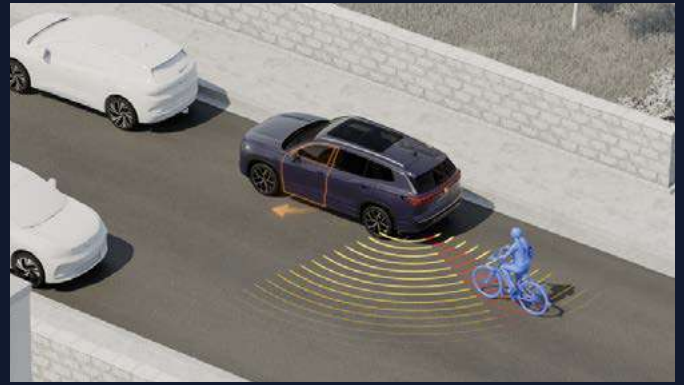

Lane Assist helps keep the Tayron safely centred in its lane with gentle steering support. If the driver becomes unresponsive, Emergency Assist provides escalating warnings before helping bring the vehicle to a controlled stop.

IQ.Drive

Dynamic Light Assist

Automatically adjusts the high beam to maximise visibility while preventing glare for oncoming and preceding vehicles.

Rear Traffic Alert & Exit Warning

Detects approaching vehicles or cyclists when reversing or opening the doors, providing timely alerts to help you avoid potential collisions.

Auto Emergency Braking Front Assist with Pedestrian and Cyclist Monitoring

Monitors the road ahead and warns of potential collisions, applying the brakes automatically.

Travel Assist with Adaptive Cruise Control (ACC)

Helps maintain a set speed and safe following distance while providing steering support to make longer journeys more comfortable.

Lane Change System Side Assist

Monitors your blind spots and alerts you to vehicles approaching from behind or alongside, making lane changes safer.

Volkswagen Cares App

We are committed to care and provide the best for Volkswagen customers. More than just a loyalty program, Volkswagen Cares applies on all levels and embodies how we interact, engage, and serve our customers better. Customers may also download the Volkswagen Cares mobile application, an aftersales-led initiative to continuously improve the ownership experience. The mobile app comes with a list of features related to both sales and aftersales, including service offers, owner rewards, educational videos and tips, event updates, and 24-hours' roadside assistance - all at the touch of a button.

Volkswagen Loyalty Advantage (VLA)

Being part of the Volkswagen family comes with rewards. From your 4th scheduled service onwards, enjoy up to 40% savings on genuine parts to keep your Volkswagen in top condition. Plus, drive with peace of mind knowing that all genuine parts are covered by a 2-year unlimited mileage warranty. Speak to our service advisors at your preferred Volkswagen service centre to learn more.

Body & Paint

Safe and strong: Volkswagen Genuine Body Parts give your Volkswagen the necessary stability and offer you the best possible protection in the event of an impact. As we have developed all parts especially for your original, they fit like a glove. The result: You save time and costs in any repair and your Volkswagen remains an original through and through. Best of all, our paint and workmanship comes with 2 years warranty for peace of mind.

24-hour Roadside Assistance

When your Volkswagen has a breakdown, our 24-hour roadside assistance service team is readily available to help you with the following services:

1. Tow assistance and recovery to the nearest Volkswagen service centre. For security reasons, towing service will not be provided to an unattended vehicle.
2. Emergency telephone call to family or friend of the Volkswagen driver.
3. Battery jump start. If your vehicle cannot be driven safely, towing services will be provided.
4. Flat-tyre change (if spare tyre is available) in a safe environment. Otherwise, towing service will be provided.
